Morning Emily

Nope. This was the status when Kevin reported out yesterday and there's nothing new. I'll be heading to my office in a few minutes.

Eric,

Any updates on these since yesterday afternoon? Tonya, Kevin, and I are covering the 10 AM meeting. You can also call my cell (919-602-9404) if that is easier. Thanks, Emily

Hi Tim,

Please edit as appropriate.

Eric - does this look okay to you and reflect what we discussed? Please note that I added bullets about risk messaging, data calls, and Congressional assistance.
